

SHUNMUGA SUNDARAM A

6/1, Perumal south car street, Town, Tirunelveli. Pin: 627006.

9043329690 | shunmugasundar07@gmail.com

Objective

Aspiring Computer Science and Engineering student with hands-on experience in web development, agentic automation, and UI/UX design. Skilled in building responsive web applications, crafting intuitive user experiences, and developing intelligent automation workflows. Passionate about creating scalable, user-centered digital solutions by combining modern web technologies, automation frameworks, and design principles to solve real-world problems.

Education

- **St. Joseph's Institute of Technology** 2023-2027
B.E(CSE)
CGPA : 8.01/10

Skills

- UX & Design: Figma, Wireframing, Prototyping, User Research
- Development: HTML, CSS, React, Python, C, Java
- Automation: UiPath, Power Automation, n8n, Blueprism, Selenium, Zapier

Experience

- **Bevywise Network LLP, Tirunelveli** Jul 2025 - Aug 2025
Front-End Development Internship
 - Designed and developed responsive web pages aligned with UX best practices.
 - Collaborated with designers to ensure visual consistency and accessibility.
 - Enhanced cross-browser compatibility and page performance.

Projects

- **Portfolio**
 - Built a responsive personal portfolio using HTML, CSS, and JavaScript, optimized for mobile and cross-browser compatibility.
 - Designed an interactive user interface with smooth scrolling, animations, and structured sections to enhance navigation and user engagement.
 - Applied clean, modern design principles and reusable components, showcasing technical skills and attention to detail.

Certification

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional**
Oracle Academy — Issued July 2025
 - Covered Generative AI concepts, prompt engineering, and large language model (LLM) fundamentals.
 - Learned to design, deploy, and manage generative AI solutions using OCI services, with a focus on responsible AI, security, and real-world enterprise application.
- **Data Base Management System - NPTEL**
 - Completed DBMS certification (NPTEL) with strong fundamentals.
 - Worked with SQL queries for data retrieval and manipulation.
